KANSAS STATE COLLEGE

The 1964 Football Brochure

This 1964 Football Brochure has been prepared to aid newspaper, radio, television and college publicity personnel in covering the 1964 football team at Fort Hays State College. Information was compiled prior to the season and is therefore subject to change. Such change will be brought to your attention through regular sports news releases from the Fort Hays State News Service.

Visiting journalists, publicists, etc., are invited to visit the FHS campus and are welcome to use facilities and records in the News Service office on the first floor of Martin Allen Hall. Press box facilities are available at Lewis Field Stadium and are explained in more detail elsewhere in this brochure. The News Service will gladly supply those interested with information about any phase of the college and its activities.

Fort Hays State's sports brochures are used not only for press, radio, television and publicity information, but are considered part of the college's regular publications program. They are seen by alumni, friends and prospective students of the college.

We hope you will find the brochure interesting and useful. For any additional sports information, pictures, movie platforms or other services, please phone, wire or write:

History of the College

Fort Hays Kansas State College, founded in 1902, marked its 62nd birthday in June. The institution is a tax-supported liberal and applied arts college, established and maintained by the state to serve the people of Kansas, and particularly the youth of Central and Western Kansas.

Fort Hays Military Reservation, established in 1867 shortly after the Civil War, was abandoned by the United States government in 1889. For the next 11 years, a proposal for wise use of the land was repeatedly presented to Congress by far-seeing residents of the area. In 1900 the government enacted legislation granting the land to the State of Kansas for three designated purposes: as a state college, as an agricultural experiment station and as a state park. All are now in existence on the land.

The college opened June 23, 1902, with 34 students, two faculty members and 19 courses. For two years the college held its sessions in two old Fort Hays buildings on the fort grounds.

The institution has grown steadily until it now has enrollment of 4,250 students and offers more than 700 courses, with more than 200 faculty members. This growth is further reflected in a steady building program that includes such recent construction as complete remodeling of several campus structures, an addition to Science Hall, new maintenance buildings and new housing for men and for married students. Completed last fall was a six-story women's residence hall that will eventually house some 600 coeds. In various stages of planning and construction are a new library and a speech and music center.

The campus is located immediately to the southwest of the city limits of Hays, on Big Creek, which wanders through the campus. The campus proper consists of about 80 acres, while all of the college land totals 4,160 acres.

Fort Hays State reflects the community and the area in blending new and old, tradition and progress, while serving as the educational and cultural center of Western Kansas.

1963 — Alex Francis and his cross country team bring FHS its first national championship in any sport by winning the NAIA title.

Athletic Facilities

In addition to Lewis Field Stadium, home of the football and track teams, Fort Hays State has other varied athletic facilities.

Sheridan Coliseum, built in 1915, houses the basketball and gymnastics facilities, in addition to the physical education offices and the K-Club trophy room. Home wrestling meets are held at the coliseum, although the matmen work out in a wrestling practice room at Lewis Field Stadium.

Sheridan Coliseum also includes a swimming pool which is used for phys ed swimming classes. FHS has not had a competitive swimming team for several years as the present facilities are not adequate for competition.

Another gymnasium building, known as "men's gym," is used for physical education classes and some intramural competition. Located south of the coliseum, it was moved from Walker Air Force Base in 1947.

The college tennis courts, eight in number, are located south of the coliseum. Between the courts and the coliseum are the intramural fields, used for softball and touch football as well as for phys ed class activity. Solid fences have been added to two courts, giving some wind protection.

The college golfers use the nine-hole course at Fort Hays Country Club for their meets. It is located southwest of Hays on highway 40 bypass. The golf course is also the site of home cross country meets.

Ticket information . . .

Admission prices for home football games at Lewis Field Stadium:

Adults	\$1.50
Students	.75
Children	.25

FHS does not sell reserved seats or season tickets in football.

Press and radio representatives and opponents' publicity personnel will be admitted by presenting their customary press or college identification. Press box tickets are issued by mail. See page 9.

Athletic Program

A well-rounded athletic program spanning the entire nine-month school term is offered at Fort Hays State, with at least two sports under way almost continuously throughout the year.

In the fall, the football team and cross country runners compete in both conference and non-conference competition. The cross country squad is also a top competitor each year in the NAIA national championship race.

Basketball, wrestling and gymnastics are offered through the winter months. The basketball squad competes in conference and NAIA competition. The conference does not offer wrestling and gymnastics activity, so the Tiger teams must maintain non-league schedules in those sports. The wrestling squad enters the NAIA national meet each year. The gymnastics team, being one of the few small-college gym squads in the area, regularly competes with major universities.

Spring sports include track and field, golf and tennis, and all three compete in conference meets. The track and golf teams have been frequent NAIA meet competitors.

The college does not field a baseball team due to a combination of difficulties in travel distances and unpredictable spring weather. The last FHS diamond team was fielded in 1924.

The college's well organized intramural program includes touch football, basketball, volleyball, softball, track and field, swimming, bowling, tennis, golf, badminton, table tennis and horseshoes.

Those wearing the block K . . .

. . . on the black and gold award jackets are FHS athletic lettermen and members of the K Club, the organization honoring athletic lettermen. The group's purposes are to foster fellowship among the members and to promote athletics. The club also contributes to the scholarship fund by selling concessions at athletic events.

Tiger offensive system . . .

Coach Wayne McConnell has his Tigers use a multiple-T offensive system, embodying characteristics of several different T-formation systems.

Press Facilities

PRESSBOX: The main pressbox includes adequate facilities for press and radio. It is located atop the east stadium. Included are two enclosed radio booths; one is used by KAYS for each home game. The main press room is used by the working press, publicity personnel of the competing schools, statisticians and the public address and scoreboard personnel. Another large enclosed box is commonly called the "President's Box" and is used by college officials; it is not available for press or scout use.

SCOUTS AND CAMERAMEN: A new box was constructed in 1962 atop the west stadium. It is divided, half for movie cameramen and half for visiting scouts. The new box is white; the main pressbox is native stone.

PRESSBOX PASSES: These are required for everyone seeking admission to either box—press, radio, cameramen, scouts, publicity personnel, etc. Write the sports information director, preferably at least a week in advance to allow time for mailing. Late requests will be filled when possible; passes in those cases will be left at the ticket window. **NOTE:** The scout for the next Tiger opponent will be given preference; others will be seated if room is available.

RADIO: Radio stations wishing to broadcast a Tiger game must make their own arrangements with Southwestern Bell Telephone Co. in Hays. Also contact the sports information director at FHS to determine available facilities and to assure receiving press services.

FILING: A telephone is available in the main pressbox; another is located elsewhere in the stadium. Phones at Martin Allen Hall on the campus may be used after the game. Any newspaper desiring Western Union service must make its own arrangements by contacting the Hays Western Union office, 113 E. 11th.

SERVICES: Although the sports information service at FHS does not control all phases of the pressbox operation, we will do our best to serve you in any way. Before game: Programs, line-ups, number changes, flip cards, cumulative statistics for season, etc. During game: Detailed play-by-play sheets as each page is completed, team statistics and individual leaders at halftime. After game (as soon as possible): Final statistics and scoring summary. Anytime: Coffee and soft drinks, cigarettes, matches, pencils, paper, etc. Hot dogs at halftime.

1964-65 school year. The former Tiger athlete is in his 35th year on the faculty. He has guided the athletic program since 1930.

Busch was a standout quarterback at FHS during the seasons of 1917, 1919, 1920 and 1921 and was an all-state college choice during the first and last of those seasons. His college career was interrupted by a 13-month stint with the field artillery in England and France at the end of World War I.

In 1957 Gross was nominated to the Helms Foundation Hall of Fame for noteworthy achievement in NAIA basketball. The Busch Gross award is now presented annually to the outstanding senior athlete on the FHS campus.

The Junior Varsity

Fort Hays State's junior varsity is primarily a freshman team, with a handful of upperclassmen who lack experience in college football also seeing some action.

Jayvee rosters will be available before each game.

Graduate assistant Jack Hazlett, a two-time Tiger letterman, will direct the jayvees, with the help of senior assistant Larry Dreiling, a four-letter winner as a Bengal.

The young Tigers will play their usual home-and-home series with Kearney and the customary single game with Emporia State. In addition, they will meet McCook (Neb.) Junior College in a single game.

The jayvee record over the past four seasons is 8-4, including three straight setbacks last fall.

McConnell's record vs. 1964 foes . . .

In his eight seasons as head Tiger coach, Wayne McConnell and his teams have this record against this year's opponents:

	W	L	T	Points
Kearney State	3	5	0	103-159
Southwestern Oklahoma	1	1	0	28-25
Colorado Western	0	1	0	0-42
Central Missouri	0	0	0	---
Washburn University	3	5	0	110-186
Emporia State	2	4	1	85-108
Southern Colorado	1	0	0	18-14
Pittsburg State	2	6	0	85-249
Omaha University	2	2	1	63-109

The Season Outlook

"We should be improved. And we should be much more competitive than we were last season."

That is Coach Wayne McConnell's pre-season outlook on the 1964 prospects for his Tiger football squad. Spring practice—reinstated this year after a previous CIC ban—helped the Tigers, though it must admittedly have had the same effect on the other league teams.

Last year the Bengals were plagued by constant injuries and tumbled to a 2-6-1 season record after a sharp 6-2-1 mark the year before. Several of the top individual gridgers on the 1963 team were graduated, leaving gaps to be plugged this fall.

However, McConnell expects better blocking, better quarterbacking and considerable improvement on defense this fall. Potential weak areas include a lack of depth in the line, where 11 lettermen were lost and only eight return, and some question at defensive halfback.

McConnell and his staff can count on 14 returning lettermen, three provisional letter winners, 10 returning squadmen and 15 others who learned something of the Tiger grid system during spring practice. A total of 14 lettermen were lost. The pre-season roster has included about 75 candidates.

The top returnees include All-CIC and All-District 10 guard-linebacker Dave Jones; "Rookie of the Year" Bob Johnson at quarterback; "Best Back" Jack Johnson; three-year starter Steve Worley at fullback; second-team All-CIC Clark Engle at tackle; second-team All-CIC Max VanLaningham in the defensive secondary; and veteran lineman Ken Dreiling.

The prospects of improved quarterbacking stem from the experience gained by Bob Johnson as a freshman last fall and the spring showing of another 1963 yearling, Leo Hayden of Goodland. Johnson earned the starting nod midway through last season and averaged well over 100 yards per game total offense from then on. Hayden, injured much of last fall, took over in spring drills while Johnson was with the track team.

Complicating the picture for FHS is the limited practice time before the opener. Practices begin Aug. 31, with the first contest set for Sept. 12.

The Outlook by Positions

End—Adequate to Good

Offensive ends look adequate; "maybe in fine shape," according to Coach McConnell. Pass-receiving leader Cliff Leiker is gone, but Roger McCabe returns as a starter and big Francis Weers should help a great deal. Defensive end spots look strong, on paper, with Bill Ham, Bill Chase, Don Givens, Steve Base and Larry Noffsinger (a starter last year) leading the list.

Tackle—Fair to Good

Offensively, tackles are strong on the first unit, led by returning regular Clark Engle. But more depth is needed. Defensively, the coaches are looking for the right men. "Some of our veterans are capable, of course," McConnell says, "and we have good young prospects."

Guards—Good to Excellent

Despite the loss of half a dozen lettered guards, the return of All-CIC Dave Jones and the addition of transfer Paul Resler make the guard outlook good, at least. There is a need to develop some depth behind Jones, Resler, Ken Dreiling and Bill Ham, the latter a defensive end and offensive guard.

Center—Average

The center spot is deep in good young prospects, with Paul Monty heading the list as returning starter. If the newcomers provide the depth, this spot is taken care of.

Linebacker—Good to Excellent

This could be one of the team's strongest spots, with the likes of Jones, Resler, Dave Hays, Gordon Mauch and newcomers Doug Opdycke, Bob Sperling and Bernie Blevins.

Quarterback—Good to Excellent

Starter Bob Johnson returns, and the spring showing of Leo Hayden brightens the prospects here. Veteran Max VanLaningham, a defensive specialist, is also available if needed.

Halfback—Adequate to Excellent

Offensively, Jack Johnson should be one of the top runners in the league this fall. Veterans Ron Morel and Bob Anthony can back him up, and the staff has high hopes for some of the new candidates. Defensively, VanLaningham, Morel and Anthony are experienced, and McConnell expects such Bengals as Francis Weers, Charley Adams, Willie and Don Washington and Jack Johnson to push them.

Fullback—Good

Steve Worley is back for the fourth year, and he could be pushed hard by Blevins. Good frosh prospects, too, including ex-Hays High dependable Hank Sellers.

The Conference Outlook

CIC coaches are generally agreed that:

(1) The 1964 conference race will be a tight one from top to bottom.

(2) All CIC squads will probably show some improvement.

(3) Pittsburg and Washburn are the chief contenders for the crown earned by Omaha the past two seasons.

(4) Omaha, riddled by graduation, remains a slight favorite to win a third straight title.

In short, they see a repeat of the 1963 race—Omaha on top, though perhaps not as decisively as a year ago; Pittsburg and Washburn providing the big threats; and Fort Hays State and Emporia battling for what's left and possibly serving as "spoilers" among the big three.

Omaha has lost 12 of the 14 players who earned first or second-team All-CIC berths in 1963. But Coach Al Caniglia's Indians believe their sophomore-laden club can earn the title again, with a faster, quicker team replacing the massive Indians of the past two years.

Pitt has a flock of capable Gorillas back, while Washburn's hopes will rest to a great extent on finding a suitable replacement for do-everything quarterback Billy Harper. Fort Hays State's prospects appear on page 29. Emporia State's improvement will hinge on its experienced line, led by All-CIC Bill Eikermann, but the Hornets must rebuild the backfield.

Where they'll stay . . .

The following arrangements have been planned for lodging on 1964 Tiger road trips:

A total of 24 lettermen return, with strength at end, center and halfback and weak areas possible at the other spots. Bulldog Prospects: A new staff takes over

The coaching staff is all new at Southwestern, leaving the outlook questionable, according to pre-season publicity. A total of 18 lettermen return, including the entire starting backfield. Weaknesses may pop up in the line. A handful of prize transfers could strengthen the picture at Weatherford. Top prospects: veteran backs Larry Damron, Billy Crockett, Johnny Taylor and Alford Mitchell; guard Joe Girardi; end Richard Boone; transfers Larry Ferguson, Ron Engle and Mutual Bryant.

Mountaineer Prospects: Lack experience, but hopes high

Coach Kay Dalton's 1964 squad will not be up to its 1963 strength, but significant strength could develop. Experience is lacking, particularly at tackle, a strong spot when WSC won the Rocky Mountain crown last year. A total of 22 lettermen were lost, leaving 16 returning. Top stars: All-conference back Clyde Wilson, all-conference end Tom Popadak, quarter-back Jim Novak, center Garth Yorton, any of 16 transfers.

End Keith Hendrix is a proven gridder, and there are lettermen back for every position, including nine lettered backs.

Hornet Prospects: Improved, but questions

Last year's CIC cellar-dwellers look for improvement, particularly in the line where two-time All-CIC Bill Eikermann stands out. But Coach Keith Caywood must rebuild his backfield, with the search for a quarterback to replace Don Wrench heading the list of necessities. In all, 17 lettermen return, 12 of them in the line. Top Hornets: Eikermann, All-CIC end Ray Schrick, tackle Roger Beers, guard Cliff Ferrell.

Indian Prospects: Definite improvement

This is the first year SCSC has had a senior class and only its second year as a four-year school. Some of last year's problems carry over—a lack of line depth, lack of good big men, weak kicking game—but improvement is expected in overall defense, better balance between passing attack and running game and a wealth of experienced backs. Best Indians: quarterback Bob Berry, halfback Chet Foster, fullback Milt Banks, transfer ends E. J. Doyle and Martin Collins, guard Bob Busia. A total of 23 lettermen return.

Coach Carnie Smith hopes the team will fill out, "but we will have to grow fast to be above .500," he says. Seventeen lettermen and 10 more who earned provisional letters are expected; 11 were lost. Backfield is deep in quality runners. Weaknesses are mainly at tackle. Headliners: All-CIC choices Chuck Howton, defensive halfback; Gaylen McCubbin, fullback; Gary Murkin, end. Linebacker Larry Basky and halfback Gene John are also proven talent.

Indian Prospects: Young club, high hopes

The defending champs seek a third straight CIC crown, with 18 returning lettermen brightening the hopes. Coach Al Caniglia says his team will be faster, but may lack depth in spots. Gone are 16 lettermen, including such standouts as Roger Sayers, Jack Petersen, the big Kadow twins and Carl Meyers. Only four seniors on sophomore-studded squad. Top prospects: 6-5, 275-pound end Jimmy Jones, a definite pro prospect; 205-pound halfback Gerald Allen; 206-pound guard Jeff New; and 250-pound tackle Bill Jansen, transfer from Cincinnati.

Past Season Records

(Note: A college history compiled by the late L. D. Wooster, president-emeritus of Fort Hays State College, indicates that football was played with several opponents prior to 1913, but that these games were primarily with high school and "town" teams. The first season on which the school has complete scores is 1913; the first completely intercollegiate schedule was played in 1915.)

Looking ahead . . .

Last year was labeled a rebuilding year in Tiger basketball, and this season the Bengals must show that the building process was a success.

Coach Cade Suran's team was 10-9 for the 1963-64 season, after a 21-7 mark the year before when FHS finished fourth in the NAIA tourney.

Only two lettermen were lost from last year's team. But one was all-time scoring leader Sam McDowell, named to the second team in the NAIA All-American selections last season. The other senior graduated was reserve guard Larry Phillips.

Scheduled to return are these lettermen: Second-team all-CIC center Richard Schur, rebounding leader Tom Ashleman, part-time starters Neal Kinlund and Johnnie Locke, reserves Bill Royer, Jude Gerstner and provisional letter winner Alvin Casey.
